

Attendance Award

We want to recognise and reward those members of staff who demonstrate exceptional commitment to their job.

Therefore, if you attend work for a full 12 month period (academic year, September to August) without any absence, you will receive a reward for your outstanding dedication.

Even though everyone receives 2 paid sickness days per full term, if you do not use them, i.e., you do not take any days off sick in any academic term, you will be entitled to claim the award. The award is issued in September after confirmation of 100% attendance for the previous academic year.

You even get to choose what it is!
Some suggestions are overleaf.

What will you choose?

Outstanding Attendance Means

Being in school to support our learners 100% of the time.
Remember, your attendance matters!

There are 365 days in a year

We spend 195 days a year in school

170 days are not spent in school!

Be there for your learners every day and achieve the 100% Attendance Award!
